

# Toilet Rebate Program

You may be eligible to replace up to two existing 3.5 gallon or high flushing volume toilets with Ultra Low-Flow toilets and receive a rebate of up to **\$100** for each replacement. Maximum of two replacement toilets per address. **This does not apply to existing 1.6 gallon toilets.** After installation is complete and you pass an inspection -- you can also trade a high volume showerhead for a **FREE Low-Flow Showerhead.**

## You qualify if...

- You receive your water bill from Manatee County.
- Your present toilets are 18-20 years old.
- You wish to replace your existing toilets with 1.6 gpf or dual-flush toilet(s).

## If you answered "Yes" to the above qualifications, please follow these steps to claim your rebate:

1. Call 1-888-843-9832 or send an e-mail to: [ManateeCountyULFTRebates@hotmail.com](mailto:ManateeCountyULFTRebates@hotmail.com).
2. Give the reservation office your water account number. They will mail you an application and a reservation number.
3. Thoroughly read the application so you understand the program.
4. Purchase and install your new toilet(s).
5. Save all receipts.
6. Schedule a physical inspection of the installed toilet(s).
7. Turn in your old showerhead for a new Low-Flow showerhead.
8. Send your completed paperwork to the address in the application, and you will receive a \$100 rebate check for each new low-flow toilet, up to the two allowed per address.

*This program is cooperatively funded by Manatee County and the Manasota Basin Board of the Southwest Florida Water Management District.*
